Faculty Position Openings
Nuclear & Quantum Engineering,
Korea Advanced Institute of Science and Technology (KAIST), Daejeon, South Korea

The Department of Nuclear & Quantum Engineering at KAIST invites applications for tenure-track faculty positions in the field of radiation detection and signal processing and/or radiation imaging systems for medical and industrial applications. We will accept the applications from June 1, 2023 to July 14, 2023. The review of the applications will begin upon receipt with the aim of extending on-site (possibly replaced by on-line) interview offers in July 2023.

Applicants who passed the document evaluation will conduct individual interviews in this department, and the appointment period will be in March 2024, or in September 2024.

Applicants must have a Ph.D. degree in a closely related field by the time of appointment. Applicants must demonstrate strong research potential and commitment to teaching undergraduate and graduate students. Candidates with established track records in research and teaching will be considered for a tenured position. We fully follow equal employment opportunity policy, and female applicants are strongly encouraged.

KAIST offers a competitive salary and a start-up research fund. In addition, all faculty members have joint appointments with KAIST Institutes, with expanded opportunities for interdisciplinary research and funding. KAIST attracts the top students pursuing B.S., M.S., and Ph.D. degrees. The normal teaching load is one course per semester.

Applicants should send the listed application documents to nqe_admin@kaist.ac.kr.

- An application form including research and teaching plans
  Application form download
  https://www.kaist.ac.kr/
- Curriculum Vitae
- Copies of five key publications
- Other documents that may support the application

Review of applications will begin immediately when all the required documents arrive. KAIST is an equal opportunity employer.
