

# 2023 Carbon Ion Therapy Symposium

Date : October 11 (Wed)

Place : Geomungo Hall A, The-K Hotel, Seoul, Korea

## Program

13:00 – 13:05 Opening Remarks

Hong-Gyun Wu  
(Seoul National University Hospital, Korea)

### Session 1 Clinical Trial of CIRT, How to Build Evidence for CIRT

Moderator : Hee Chul Park  
(Samsung Medical Center, Korea)

13:05 – 13:30 Clinical Experience in QST and the Role of J-CROS

Shigeru Yamada  
(QST Hospital, Japan)

13:30 – 13:55 Shanghai Experience on Clinical Trial for Particle Radiation Therapy [on-line]

Jiade J. Lu  
(Shanghai Proton and Heavy Ion Center, China)

13:55 – 14:20 (TBD) Clinical trial in HIT [on-line]

Jürgen Debus  
(Heidelberg Ion-Beam Therapy Center, Germany)

14:20 – 14:30 Coffee Break

### Session 2 Experience of Establishing a CIRT Facility

Moderator : SiYeol Song  
(Asan Medical Center, Korea)

14:30 – 14:55 Current Status of the First Heavy Ion Therapy in Korea

Ik Jae Lee  
(Yonsei Cancer Center, Korea)

14:55 – 15:20 Seoul National University Hospital Heavy Ion Therapy Gijang Center

Kyung Su Kim  
(Seoul National University Hospital, Korea)

15:20 – 15:45 Carbon Therapy at Osaka Heavy Ion Therapy Center

Tatsuaki Kanai  
(Osaka Heavy Ion Therapy Center, Japan)

15:45 – 16:10 Experience of Establishing at Mayo Clinic Florida

Keith M. Furutani  
(Mayo Clinic Florida, USA)

16:10 Closing Remarks

Hong-Gyun Wu  
(Seoul National University Hospital, Korea)
